Last night, I was incredibly drunk when I got home. It was almost midnight. I thought I went to bed, but this morning I woke up on my desk in front of this music.

I cannot remember how did I make this music lol

Love the bizarre origin story. Maybe you should do that more often? At least you know that if you're possessed at midnight, it's by some lovely spirit shining some pretty holy light! x-D

This is nice. Good for a title music. Wish it was longer.

Wow! That is an awesome piece. Ideal for a short opener before the level starts.

If this is the short version, does that mean there is a longer version somewhere?
